

## Curriculum Map

	Learning Objectives	Checkbox	Assignments
	<p style="text-align: center;">Below are the Learning Objectives for the "GU" Category. Please read the instructions in "Checkbox" and "Assignments" before proceeding.</p>	<p>Select the learning objectives your course will address  (3 required)</p>	<p style="text-align: center;">For each learning outcome addressed, what assignments or activities (described on the syllabus or other attached documents) will you use to allow students to demonstrate their competence on each outcome?  If you are <i>resubmitting</i> please use <b>BOLD</b> text for any revisions so the committee can see what has changed.</p>
<p>The course must meet at least three learning outcomes:</p>	<p>Identify and articulate one's own values and how those values influence their interactions and relationships with others, both locally and globally</p>		
	<p>Demonstrate understanding of how the patterns and processes of globalization make visible the interconnections and differences among and within contemporary global societies</p>		
	<p>Demonstrate the development of intercultural competencies.</p>		
	<p>Explore individual and collective responsibilities within a global society through analytical, practical, or creative responses to problems or issues, using resources appropriate to the field</p>
