Mason Core Category: Social and Behavioral Sciences
Proposal Worksheet

General Overview
Students will develop the ability to explain how individuals, groups, or institutions are influenced by contextual factors; demonstrate awareness of changes in social and cultural constructs; and use appropriate methods and resources to apply social and behavioral science concepts, terminology, principles, and theories in analysis of significant human issues, past or present.
Required: One approved course

Please keep in mind:
- Mason Core Committee members are a cross-section of the University. Please avoid discipline specific terminology and provide as much context as possible to facilitate the review process. Fully explain any terms that are unique to your area.
- As a part of the Mason Core on-going assessment process, you will be asked to regularly submit assignments that directly link to the Social and Behavioral Sciences learning outcomes. Student work samples will be requested as well.

Required Documentation
- ☐ Syllabus with statement that this course meets the Social and Behavioral Sciences Mason Core requirement with a list of the category learning outcomes
- ☐ Completed proposal worksheet (this form)
- ☐ Example assignments (as needed to support proposal)
- ☐ Example assessments (as needed to support proposal)

Learning Outcomes:
Upon completing a Social and Behavioral course, students will be able to:

1. Explain how individuals, groups or institutions are influenced by contextual factors.
2. Demonstrate awareness of changes in social and cultural constructs.
3. Use appropriate methods and resources to apply social and behavioral science concepts, terminology, principles and theories in the analysis of significant human issues, past or present.

Rationale

Please provide a succinct rationale (no *more* than 500 words) for why this course should be considered for the Mason Core. Why does this course add to the available catalog of Mason Core courses?

Assignment Map

For each learning outcome, fully describe the assignment, clearly explain how the assignment meets the learning outcome, and discuss how the assignment will be assessed to provide evidence the learning outcome was met. If you are using an exam, test or quiz to assess learning, please include the questions. An assignment may meet more than one learning outcome. All outcomes must be met.

Outcome	Assignment	Explanation	Assessment
